Merry Christmas Pavel!

I'm so excited to get your letter! Thank you for sending it to me all the way from Severodvinsk! The Internet sure is wonderful because now I can get emails from Severodvinsk and around the world in the blink of an eye. Even Rudolph gets emails... from pets! Why, here's Rudolph right now! **HO!! Ho!! ho!!** He just asked me to say 'Hi!' to you!

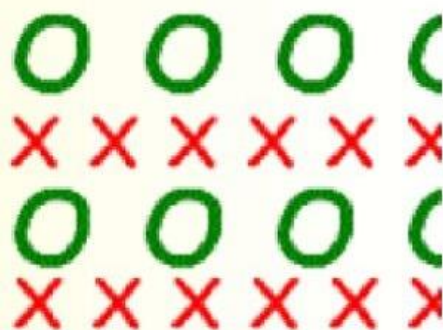

Sugar plums and sleigh bells, Pavel! I can't believe you're 13 years old already! You're getting to be quite a big boy! I'm really glad you still wrote me though because I'm sure some people have said things about me. Of course, I'll bet *they* never got a magic letter like this from me!

Eve!! And remember... only 3 more sleeps until Christmas!!

With All My Heart,

Santa Claus

P.S. Why thank you for the wonderful hugs & kisses Pavel! Here are some extra special hugs and kisses just for you

from everyone at the North Pole!

P.P.S. I've attached a special postmarked copy of your email below so you can print it off and show it to all your friends or put it on your fridge. (Don't worry, only the good parts print :-)
